Subject: 2024 KINGS Global Scholarship Program for the Master's Degree Course

Dear Ms. Dana Drabova,

Greetings from KEPCO International Nuclear Graduate School (KINGS).

I am pleased to inform you of the KINGS Global Scholarship Program and admission guidelines for the 2024 intake.

KINGS offers a 2 years Master's program with 100% scholarship in the field of Nuclear Power Plant Engineering (NPP) and Energy Policy & Engineering (EPE). This program consists of practical curriculums and is recommended to government officers and employees working for nuclear and energy-related institutions.

As part of our continuous contribution to sharing knowledge and technology to grow global human resources and leadership, KINGS Global Scholarship is awarded to eligible students for 2024. The total amount of the scholarship is 62.2 million KRW per annum, and it covers tuition, matriculation, and boarding fee.

Applicants can access the online application system through the website at [www.kings.ac.kr](http://www.kings.ac.kr). It will be open from September 18<sup>th</sup> through October 25<sup>th</sup>, 2023. Please refer to the attached file for further details on the 2024 Admission Guidelines.

We look forward to inviting qualified applicants and their commitment to the world via the KINGS' scholarship program. We request your support and encouragement for competent personnel to participate in this program.

If you have any questions or need more information, please contact the Academic Affairs Team at +82-52-712-7121 or [admission@kings.ac.kr](mailto:admission@kings.ac.kr). Thank you in advance.

Sincerely,

Ki-Pung Yoo Ph.D.
